Judged from the Budget figures for 1947–48, the financial condition of the Municipality is sound. In regard to the scales of pay of Scavengers Sweepers, the Committee has passed orders as Rs 16–½–20 The Finance Standing Committee have proposed to grant an allowance of Rs 18/- to each of the Sweepers or Scavengers and a uniform pay of Rs 16/8/- to each of the remaining Sweepers or Scavengers. It would be most desirable to fix the pay scale of them at a uniform rate of Rs 16–½–20 as laid down in Govt. Memo No. 10 dated 23.9.1947

In regard to the temporary establishments proposed the scales of pay to be approved, with the direction that the need for their maintenance may be further examined after the expiry of the existing period

Subject - Revision of scales of pay of the employees of the Tumkur Town Municipality

Sir,

In continuation of this office letter of even number dated 7th October 1947 requesting to obtain the orders of Government to revise the scale of employees of the Municipalities and District Boards in accordance with the G O No Fl 4108-70 S & 25-47-6 dated 21-9-1947 to facilitate interchange of officials from the Revenue Department to the Local Bodies and vice versa I have the honor to forward herewith copies of letter No H C 20/47-48 dated 22-11-1947 and 26-11-47 from the President, Town Municipal Council, Tumkur forwarding the resolution of the Municipal Council held on 3-11-1947 approving the revision of scales of pay of the Municipality in accordance with G O dated 21-9-1947 and to state that there will be an increase of Rs 17,160/- on an average annually The Council have resolved to meet this extra cost as it is inevitable Steps have however been taken by the Municipal Council to improve the finances of the Municipality The scavengers of this Municipality had struck work and resumed duty after the assurance given that the proposals for the revision of scales of the Municipal employees will be sent to Government for favourable consideration It is not clear from the report and the resolution of the Municipal Council as to the date from which the revision of scales of pay will have to be given effect to and the source from which the extra cost during the current year

Subject - Revision of scales of pay of the employees of the Tumkur Town Municipality

---

I have the honour to state that on the representation of the sweepers and other emplbyees of the Municipality stating that their pay has not been revised as has been done in the case of non-gazetted Government officials and requesting that their representations may be favourably considered, the Municipal Council at their meeting held on 5-11-47 resolved that the proposed revised scales are approved and the sanction of Govt may be sought for The proposition statement in duplicate is herewith enclosed for kind perusal It is seen therefrom that an average extra expenditure of Rs 17,160/- per annum will have to be met by the Municipality as a result of the revision of pay which no doubt will tell upon the financial position of the Municipality Still it is inevitable that the pay has to be enhanced in view of the fact that the cost of living has become erormously high

Further the pay of the clerical and executive staff such as Sanitary Inspectors, Revenue Inspectir Surveyor, etc , is required to be revised so as to facilitate inter changes from one department to the other and this has been done in accordance with the scales sanctioned in C O No Fl 2010-17 S & A 25-47-6 dated 21st September 1947 As regards the pay of the other employees such as Bill Collectors Managers and Sweepers etc , it has also been revised taking into consideration the nature of work and the responsibilities involved in respect of each post

Steps are being taken to improve the income of the Municipality by levying license fees on hotels and duty on some more articles

I therefore request you to kindly address the Government to accord sanction to the revision of the proposed scales as resolved upon by the Council
